La Murrina, una firma che rinnova ogni giorno duemila anni di storia, arte e tradizione.

Le prestigiose fornaci di Murano de La Murrina realizzano collezioni uniche che si differenziano per tecnica ed originalità di lavorazione.

Dalla manualità artigianale e artistica dei nostri maestri vetrai scaturiscono opere che portano in sé l'impronta unica, esclusiva e irripetibile di un pezzo realizzato a mano.

L'esperienza di un'arte antica si trasforma così in ricercate collezioni di luci ed oggetti capaci di impreziosire ogni ambiente.

La Murrina, l'originale firmato che acquista valore nel tempo.

La Murrina - a name that represents two thousand years of art and tradition.

La Murrina's prestigious furnaces in Murano create unique collections that differ in the technique and originality of the processing used.

The hand-made artistic craftsmanship executed by our master glassblowers gives birth to creations that bear the unique, exclusive sign of a handmade piece. Our lengthy experience with the ancient art of glassmaking is thus transformed into refined collections of lamps and pieces that can effectively adorn any setting.

Handcrafted antiques of the future.
